No problem at all. I'd be grateful if you'd keep me posted as this moves forward. Happy holidays.

Brooks - Sorry about the delay in getting back to you. We are working on the specific objection letter, but I have nothing to report on in terms of when it will go out.

Gary

Hi Gary, would you please give me an update on the status of EPA's specific objection letter? I understood from the call last week that it might come out this week. I thought the call was productive and hope it signals a path forward to resolution. Thanks, Brooks
